## Season Pass Policies

Season passes are offered on a first-come, first served basis. Applications will be accepted and processed in the order in which they are received without regard to race, color, religion, national origin, age, handicap or status as a disabled veteran. White Pines Golf Course reserves the right to cap the number of season passes available.

Season pass cards are the property of White Pines Golf Course and may be used only by those specified on the season pass agreement and must be returned upon the request of management.

Season passes may not be resold, traded or transferred under any circumstances.

Management reserves the right to repurchase the season pass of any or all season pass holders refunding any or partial dues and/or fee originally paid by that season pass holder to the Golf Course without payment of interest. All refunds will be calculated on a pro-rata basis based upon a 32-week season.

A season pass holder agrees to abide by all White Pines Golf Course Rules and Regulations and directions from authorized golf course personnel. White Pines Golf Course reserves the right to edit, change or eliminate any and all White Pines Golf Course Rules and Regulations without notification or prior approval.

Management may terminate any season pass holder who conducts himself/herself in an unbecoming manner on the golf course property or if he or she violates Golf Course Rules and Regulations. Under these circumstances, no refund will be due to the season pass holder upon his or her termination.

A season pass neither grants nor implies any equity interest in the golf course nor grants voting rights in the operations or policies of the golf course. In addition, a season pass holder receives no equity interest in any entity involved in operation of the golf course.

Every season pass holder shall be liable for any property damage and or personal injury at the property or at any activity or function operated, organized, arranged or sponsored by the management, caused by him or her. The season pass holder agrees to pay all costs associated with this damage or injury.

Management reserves the right to restrict the use of the facilities and to schedule certain events at certain times for which season pass use may be restricted. Examples would include, but not be limited to the closing of the golf course for maintenance, golf outings, tournaments and any other functions.

Tee times are available to the general public in accordance with Golf Course Rules and Regulations. Season pass holders and the general public have equal rights to tee time. There will be NO standing tee times. Season pass holders must sign-in at the ProShop. All players must start from the 1<sup>st</sup> tee unless otherwise instructed to by authorized golf course personnel.

Payments may be made at the ProShop during business hours or mailed to: White Pines Golf Course, 549 Copeland Street, Brockton, MA 02301. Payments may be mailed to the golf course during the off-season. Returned checks are subject to a \$25.00 surcharge.
